Remember the thousands of men, women and children living with HIV/AIDS who are relying on your support. Set your goals high and you will be surprised how much you can do to help your state. - The newest and fastest growing populations of HIV infection are heterosexual women and all persons over age 50.
- 50% of new infections are in people under 25.

WHERE DOES MY MONEY GO?

- Our agencies support the people of Delaware. All money raised stays in Delaware for Delawareans.
- Case management and support services for hundreds of clients in all three counties of Delaware.
- Education and Outreach programs benefitting thousands annually in schools, houses of worship, beauty salons, community centers and businesses.
- Free and confidential HIV testing provided to hundreds each year.
